A reference for advisors: *what you are introducing.*

Brandon Anthony is a private commission jewelry designer. He makes one-of-one bespoke fine jewelry for milestones, with no collection and no online shop, and accepts 12 to 20 commissions a year.

Who introduces

- Wealth managers and family offices
- Estate attorneys
- Private bankers
- Yacht and aircraft brokers
- Luxury real estate brokers

The occasions

- A company exit or liquidity event
- An anniversary
- A birth
- A legacy piece for the next generation

How an introduction works

01 When a milestone is near, you tell your client a private commission is an option.

02 You introduce them to Brandon by email, copying your client or not. He replies personally within 48 hours.

03 Brandon works with your client directly. You are kept informed only as far as your client wishes.

What your client experiences

01 A private consultation, 45 to 90 minutes.

02 An original design, drawn by hand. A framed print comes with the finished piece.

03 Materials sourced for this commission alone.

04 Bench fabrication.

05 Private delivery.
